Roblox is a game where you can play games with friends that other players have created. Overall, I think Roblox is a great game, but like every other game, it probably would need some changes or parts that should be looked at more. This is for Roblox in general, because I know you guys

don't have much control over the games individually.

Password guessing (abbr. PG-ing and/or variants thereof) is a form of security hacking involving the process of stealing passwords from data that has been stored in or transmitted by a computer system. A common approach is to try guesses repeatedly for the password and check them against an available cryptographic hash of the password, which is known as brute-forcing. Motives toward password ...
